THE DIVINE LIFE

The Pioneer Magazine of the Sixth Race

Whose Invisible Editor is the Conqueror on the white horse—the new Initiate in his solar body.

The Conqueror—to him I shall award to eat (the fruit) of the tree of life which is in the middle of the Garden of the God.

The award to the Conqueror, is the Eternal Memory: he shall eat the fruit of the tree of life (the fruitage of the life cycle) in the God's own abiding place, the mystical paradise or state of ineffable bliss.

The award to the Conqueror is conscious Immortality; he is to wear the crown of life, and nothing that originates in the soul-consciousness shall pass into the oblivion of the second death.

The Conqueror—to him I shall award to eat a share of the hidden manna and I shall award to him a white voting-pebble, and on the voting pebble (will be) a new name engraved, which no one knows but he who receives it.

The Conqueror—he shall be clothed in white garments, and I shall not at all erase his name from the book of life, but I shall acknowledge his name before my Father and before his Divinities.

The Conqueror shall not at all be punished by the second death. He who has an ear to hear, let him hear.

Listen, O isles, unto me; and hearken, ye people, from afar; The Lord hath called me from the womb; from the bowels of my mother hath he made mention of my name.

And he hath made my mouth like a sharp sword; in the shadow of his hand hath he hid me, and made me a polished shaft; in his quiver hath he hid me;

THE DIVINE GOVERNMENT

A MAN just writes us, "Will you please send me information of your Independent People's Party of America and its objectives?" Like the seven-pointed star shining afar off in the Heavens quietly, peacefully, silently down upon the sad travailings of this sin-trodden World, so our Divine Government now casts its rays stronger, yea, stronger upon the minds, hearts and souls of this Great American People. This Divine Sacred Republic of the People was not at its inception meant to be trampled upon by Jew, Gentile and Catholic alike merely for worldly gain and profit to enrich the powerful, the wise, the mighty satanic and great at the expense of the poor, the humble, the meek and lowly. At the outset of the formation of this American Government the Forefathers ordained the Divine program by bringing the focus of formation back to its *sui generis,* all Men emanate from the same Star Father *within* as rays of His Infinite Goodness and Wisdom. All men are created equal in that all men are *one* in spiritual truth. All men must now come back to the original plans and devisements of

that Old, Old Law of Order, Justice and Equality throughout the earth. Call it Socialism, the New Order of the Ages, a New Social Order, The Divine Life or what you will, the old order of commercialism, greed, graft, of personal success and private domination at the hands of a few greedy souls is now about to be abolished throughout the earth, and the sacredness of Man's inner spiritual presence comes to the fore to save, to redeem, to unite the UNITED STATES OF THE WHOLE EARTH and the Kingly parasites and Satanic Pope idea gives way to the Divinity in Man come once again into ancient manifestation to relieve us of the approaching storm, which, if not quelled by Peace and Brotherly Love, will destroy civilization and the Work of the Planetary Scheme as well.

I offer a challenge and a defy to the President of these United States, the Pope of Rome and the Kings of all Europe and Asia combined. The Star Now Shines on the weak, the down-trodden and the gross ignorant and submissive. The Star, I repeat, now shines not from without, but from *within* the Heart of Man. Christ come to birth in one individual has awakened this Star in the Hearts of Many and a New Government of the People — THE INDEPENDENT PEOPLE'S PARTY OF AMERICA— now comes to the fore to tell the World that there only hope lies in the abolition of profit and gain, the destruction complete of our monetary system, the forced closure of all fake, false Church propaganda, and confiscation of their property to help feed the starving masses and a general removal of all the earth's plethora of force and coercion stressed in our army, navy, police and military powers; FOR A KING OF LOVE HATH ARISEN, A KING OF LIGHT, THE LIGHT OF THE STAR WITHIN THE MANGER OF THE HEART NOW

SHINES TO LIBERATE MAN FROM THE INDIVIDUAL STATION IN LIFE AND MAKE HIM A PARTAKER OF THE FATHER'S HOUSE, FOR WHERE I AM YE MAY BE ALSO, MASTER OF THE HOUSE, MASTER OF THE GOVERNMENT, AND A COMPLETE MASTER OF THOSE WHO TODAY SEEK YOUR ETERNAL SALVATION AND THE DESTRUCTION THEREOF!

Pope, King, Banker, Industrialist, profit-lover and seeker, scoundrel, cur and man's destroyer are now to be brought before the Bar of Universal Justice. The whole sphere and planet shall revolve no more for the personal self, the Impersonal Self, the Star-Spangled Banner of the Heavens, the DIVINE GOVERNMENT has come to stay forever and forevermore and the NEW GOVERNMENT shall begin with the open benediction:

"To Thee Lord God of the Heavens we invite now to take possession of our Souls here on Earth ('Thy Kingdom Come'); To Thee Lord of the Skies and Heavenly Realms we invite to Rule this Earth henceforth and forevermore ('Thy Will Be Done'); To Thee Lord God of the Heavens and here on Earth we solicit and implore to stop the Pope in his Hellish Program of destroying the World with his Kingly spawn and satanic importunism and raze every church, society, organization and special privilege institution ('On Earth as it is in Heaven'); and let the Star Shine, the Star of Bethlehem shine down through the Heart of Man and on to our Ancient Constitution that enlightens our children to Love one another forever as sons of one sweet Mother-Father-Divine and seek to emulate the Angels in Heaven in their perfect sacrifice to each other than one knows no other than himself in the Divine reflection in others, in our Government and in our perfectly ordained Kingdom now reflected here

on Earth from on High."

THE LIGHT, THE LIGHT, THE LIGHT NOW SHINES ON THE INDEPENDENT PEOPLE'S PARTY OF AMERICA. May it go forward to complete success in the mission from on High, vouchsafed us by Our Father Come to Earth to preserve this American Republic forevermore from the secret plottings and machinations of those who profess to represent Him by whose agent the Devil has well employed too long throughout the Earth.

THE STAR NOW SHINES, the STAR of grace, beauty, holiness and Love Divine. The love in our hearts for our fellowman should make all Men alike see equal, no division, no separation, but equal before Man and before God, a biune combination of perfect sacrifice and crucifixion to attain the ends God's children were promised before the foundation of this World.

In a future article I shall describe the workings of our Party, the part it has to play in the Reconstruction of the World and what is to become of the Religions that have too long deceived us with false charity, fake promises of a Heaven hereafter and a money oligarchy which has entrenched itself behind Religion to give unto the World a measure of respectability that in God and not in the Devil we trust.

THE BEGINNING OF THE END

MR. ROOSEVELT, the demon in the Presidential Chair, is now about to close in on the American People, and, after giving them liberty in the form of license, pouring the sweetness of their desires over their heads, he immediately gives them the bitter, launches us into the greatest war of all times, the

war of Europe's concoction against the Far East in the endeavor of the Pope to Rule the World in league with the Anglo-Saxon Race dominating the whole. Roosevelt has openly maintained in case of another European conflict we cannot remain neutral. All preparedness is being hastily made to meet the issue. Gas, poison, tanks are being manufactured by the Government, shells, bombs and explosives are being hastily moulded into shape to meet the oncoming struggle, the struggle of the American People to extricate themselves from the thieving bands of Europe's brigands who, playing a war against the Far East is only another Germanic adventure to sink the American Republic for all time, for these billionaire munition makers, these Morgans, DuPonts, Astors, Rockefellers, who play the People for suckers and send them into the trenches to make blood money for the rich, are no longer content with the American People having a President, they want a European Dictator over here to better complete their plans of World Domination by the Crowned Heads, the Bankers, the Industrialists, and last but not least, the lizard-spider-octopus, the Church of triple-crowned fame guiding the hand that rules and ruins the World!

Roosevelt's latest speech at a dinner in honor of Woodrow Wilson and his League of Nations policies is cleverly playing with words, as was Woodrow Wilson's wont to do; he is for a League of Nations, he is also against it; he is for a World Court, and again he is against it; he is for neutrality, and again he is in favor of armed intervention; he is for World Peace, and at the same time preparing the minds and hearts of the American People to receive the greatest shock ever given them, a shock no less momentous than the one sprung by his noble compatriot and predecessor, Woodrow Wilson, the tyrannical, insane,

Catholic-minded Woodrow Wilson, who kept us out of War and immediately played us into the greatest holocaust the World ever witnessed.

How can a man be for a thing and at the same time against it? No other than a fake, false, lying politician can answer. Ask Franklin D. Roosevelt where he stands and immediately he would be forced to call in Postmaster General James A. Farley and the rest of Rome's putrid pack to answer. He's not our President, he is but a tool of combination of Church and Wealth who are blood hungry for international profit, and the New Oriental War must be sprung now at the right time while the Democratic Party occupy the limelight in their endeavor to put across the NEW DEAL that is to fill the coffers and war chests of the rich, the powerful and the great.

But This Time We Fool Them

For the American People can be fooled so long until they see the beginning of the end when the Heads of Mammon take possession of their Souls and the doors are permanently shut at any more evolutionary progress. Then we shall spring a war here in America to take over all wealth, destroy all churches, put the fake, false industrial heads to flight and run America henceforth for the People's interests. But this can never be accomplished through compromising with the enemy, for the enemy wants only one more breath of life and they will and well deserve the Soul of every man of this Republic in their immortal grasp. The grasp that is to end the United States of America and make us but an appanage of Europe, a vassal state where we become but cogs and apes for Wealth and Religion. But this shall never come to pass, as we shall see, for Roosevelt's weak, pathetic game, backed by the brain-storms of America's Church Colleges, is swiftly coming to naught and his health will break with his

policies and give him a release from Presidential duties.

No, we cannot stand his program any longer, knowing full well what this diabolical N.R.A. scheme means to our future and American posterity. The Beginning of the End comes when he asks for troops to send overseas, for immediately at his first proclamation of war against Japan and the Orient to save China for Christian civilization to exploit, immediately, I say, America will fly to arms to unseat him and give him the oblivion he justly deserves for betraying the fold for thirty pieces of silver he has accepted from his rich and powerful Masters of Wealth and Religion who have planned to capture the Planet for Pope Pius and King George. And again we shall see! ! !

DID YOU NOTICE?

OW the servile press, particularly the Jewish Hearst newspapers, heralded the prosperity racket in their New Year's Day issue of 1934, giving the impression that all is well and fine and dandy with the American People and that in a great many instances profits have leaped from 25% to 40% for the tax-dodgers and moral pervaders of the country? Did you notice how they failed to tell the fact that now about 17,000,000 men are out of work, thousands upon thousands of families on the verge of starvation, and millions sick, homeless and wallowing in the mire of hopelessness and despair; with our Public School System a wreck at the hands of greedy profit business men and a Roman System that has planned the wrecking for the past fifty years to keep America in ignorance and bring her under the status of an enlightened Catholic Colony of His Immanence the POPE OF ROME? Did you notice

the pathetic plea of this Jew Devil Hearst to support this Crook in the White House to finish the wrecking process by uniting Church and State and tell the People all is well, and if you cannot now see it we shall compel you to see it before we are through with you, for we propose to put across this NEW DEAL or swamp the Nation and crush out and kill all opposition?

Oh, had I been Mr. Hearst and his paid editorial hirelings, I should at least have remained silent about the whole affair of profit making in this darkest hour when even the President himself is grappling with life and death to save his administration from being thrown out on the sidewalk by the American People before its course gets fairly started to Wreck this Nation. But a Jew will do anything for a good American dollar from pollute the mind and soul of a Nation to crucify the Master. I believe were Jesus to return to earth he would totally disown this bunch of kykes who call themselves Jew, for a Catholic and a Jew are two ends of the same pole, to pollute, debauch and corrupt Mankind and make them like it to boot. But Wait. The whole system is a Wreck! The profit system which Jesus of Nazareth condemned outright and warned the People about is now coming to a close, for profits in this hour of National and World distress are as foolish and out of order as looting and ravishing at a funeral, and Mr. Hearst will have something real to print in about six months when the American People turn on the whole devilish business that sacrifices souls and nations merely for profit and gain.

Oh, be an optimistic liar, I hear from all sides; don't, please don't admit facts. Keep up the deception, for if you don't, it will be just too bad; then everything will fall to pieces. Now, dear Brother, hasn't everything now about fell to pieces save a N.R.A. scheme to put the

whole thing together jumbly and place the cross and crown over the whole works and make it run on a European scale; like it, damn you, like it or not, we will make you like it before we get through. For we have the American subsidized press muzzled, the army and navy in our grasp, the American Legion at our beck and call, the Treasury of the good old U. S. A. in our hip pocket, the police of the Roman Catholic Church with billies, pistols, blackjacks ready to complete our scheme of modernizing our Nation after the Hitler, Mussolini and King Stalin style. What more do we want to make the Profit System here in America palatable to our mammonic eyes?

Oh, Boys! one thing you have forgotten, there is a plague coming, worse than the plague of the seventeen-year locusts, a plague of righteousness, of righteous indignation breaking out among the American people, a plague that will consume every profit-taker in the Country and swallow Jew Hearst to boot; a plague that will call down the wrath of Heaven on these Angels of Mammon who have occupied the Temple too long with money-changing hands and their hearts set on the golden calf. A plague that will rock the Planet for the Churches, Banks, Insurance Companies, yes, even our various great, grand orders, Masonic, K. of C., Rotarian, Kiwanis and the rest of special privilege pups who cannot live on pure Americanism alone without a plume, badge, emblem, symbol or what not to make them stand out as something different than ordinary men for profit, place, prestige, power, position or society to give the whole profit business an air of respectability.

Mene, Mene, Teckel Upharsin

The handwriting is already on the wall for 1934. The chaos of the Scriptures when the Tower of Babel was being constructed to reach Heaven and the confusion of

tongues set in to defeat their plans is now apparent in our American subsidized press. The whole damn business is getting so funny and theatrical, with the press prating of profits when the Nation is taking its last dying gasp for life, is enough to make an undertaker howl with glee, and before the year is out the undertaker will have the last laugh at those who today make capital out of America's starvation period, when the New Year's issue should have been hooded, bordered and shrouded in DEEP BLACK, a plea to Almighty GOD to Save the Nation: Oh, Lord, our strength and only hope and an open admission, at least, too long, oh, Lord, too long have we like pigs fed at the trough of profit without the intercession of Love for our fellowman as American Citizens who make up the whole National Mind of an Ideal Republic now come to birth in Man; and he pleads, nay, demands, the complete destruction of the whole present monetary and church system and the induction of Brotherly Love and Kind Co-operation in Human affairs, our Heaven now come to Earth! And Christ again to walk with the great and the humble, the meek and lowly.

Beware, Hearst; Beware, Church; Beware, Industrialist; Beware, Banker, for the scales are ready to do the weighing and the Budget Shall Be Balanced in the interests and welfare of not only the American People but the folks who live and walk humbly on this Planet at Peace with their Master, their God, the Christ within.

A FIGHT TO THE DEATH!

THE BELL sounds, one, two, three; the contestants are in the ring bent on annihilating each other, the black on one side, the white on the other. The immense crowds at the ringside. The breathless moment arrives when with one single blow the white one lays the black one prostrate on the floor. The black one stiffens, rolls over, and before the house expires. The doctors rush relief, but it is too late for black, as he, with all his abnormal powers he possesses, cannot now save himself. HE IS GONE FOREVERMORE!

Oh, God, cannot you see what I am driving at? ROMAN CATHOLICISM is in the ring, DIVINE LIFE is called to battle for its life like little David with Goliath. All the physical powers, all the brutish psychic forces, all the underworld methods of slay and kill are arranged against it, but the tie that binds the lower to the Higher Self is too strong to break when the time arrives to swing the Battle for the Catholic side. They will employ treachery (as usual), unfair methods, even to calling down the powers of nature upon our heads, trying to change the issue by hiding behind governmental attack, but to no avail.

Rome is Now on Probation!

Her time is set for her removal from the Earth plane. Public opinion is unanimously against her. She will hedge, beg, implore, seek aid from every side, even to slay and threaten death to those who will not support her, but with all her arts and craftiness she cannot now save herself, for DIVINE LIFE knows no compromise with ROME—a whole head or none is the dictum.

We who know the power of the Nuns walking apparently harmless along the street, see the power of

ROME in psychic form spreading their magical wares day by day, night by night, year in and out. They visit every pass conceivable and corner with their deadly psychic presence, for the nuns are the vultures of the Roman Catholic Church. Where they hover a carcass is already lying in wait for Jesuit consumption. They are the darlings that are to enlist sympathy and pity and heart-breaking support. But I say and repeat, unless AMERICA joins DIVINE LIFE in destroying Catholicism here in AMERICA, she will rue the day she has neglected her business in defending our Goddess of Liberty, whose Light Immortal is now about to be extinguished by the Ancient Venerable Mother Church, which demands darkness complete to strangle our Republic and lay our Capitol building at Washington, D. C., in ruins and in ashes.

Arise, Awake, and Strike Before It Is Too Late!

For Rome already has sounded the death knell of modern civilization. The death knell to dispatch evolutionary development and night and darkness is the time set to do the deed, the cloak which Rome employs ever to silence her enemies and destroy all opposition. But DIVINE LIFE is prepared for the battle and wants no quarter, and with equal vehemence asks none. ROME MUST GO, her churches and all other institutions destroyed, and her followers placed in receptacles where the lethal bloom cannot change her color, black as she is.

Duluth, Minn.

DEAR MR. RICHEIMER:

Your latest pamphlets are well liked. It seems as if your powerful onslaught on the Pope and company is arousing many otherwise indifferent people. Your latest was spiritual dynamite under the Vatican. It should blow

up the whole decaying ruin. I liked that comparison of the Roman system to a spider's web, with the spider at Rome in the system's center. And all the inhabitants of the planet are in danger sometime or other of being hopelessly caught in this subtle web. We may as well get off the earth as try to escape this web, which entangles even the wisest and the most noble—so it seems. Yet, if one realizes that its weakness is in our power, that it is our power that we have to recognize it as a great Fraud, a Satanic hoax, depending for its strength on our fear, ignorance and lethargy, and receptivity to suggestion, then the Spider is already conquered.

The situation is desperate here in Minnesota. In my city there is terrific poverty, many depending on charity and on county aid for the bare necessities of life. With the merciless cold of winter facing them, there will be harder times than ever for the poor. And large corporations here have been unable or unwilling to pay their taxes and numberless people on the verge of losing their homes, and great slashes made in the salaries of city and county officials, all seem to be the result of the Recovery Act. Yet the prices of foods and commodities go up, the city is dotted all over with taverns where beer is special attraction, and there are many automobile accidents due to intoxicated drivers at the wheel. But wages do not go up, employment is not found for the needy, and there are many protests against the workings of the N.R.A. It is said that employers and employees get together and have an understanding between them to defeat the terms of the N.R.A. code, meantime flaunting the Blue Eagle. Although, according to the Minnesota laws, the sale of intoxicating liquors would be held illegal in this State, even after Repeal, still the sale goes on under the guise of restaurants and hotels, and illegal stuff sold to private

families by the denizens of the underworld, these underwordlings being mostly of the Romish Order. Already great impatience and disgust is shown for Roosevelt and his N.R.A.

Roosevelt is going slowly, smoothly to work in his black scheme of co-operating with Europe to get us all down to the feudal state, the old slave state out of which it has taken us many years of warfare, struggle, study and agony to writhe out of. It is not the black slave against the white man, and the white against the black slave that we have now, but all the moneyless classes, the great working class, white and black, that are in slavery now, in chains, almost—to the very incarnations of black demons in the form of white men.

But Roosevelt is weak, he is not clever enough to pull the wool over entirely. Already there are murmurings and groans of protest from all kinds of thinking people. The foreigner who has just learned to speak English, the laborer in the street, the business and professional people, teachers, doctors, lawyers, musicians and artists are beginning to see straight through Franklin D. They complain that he takes upon himself more power than any European King, that he apes the Pope, and that he is violating the Constitution in spirit, at least, by taking his cue from Europe and trying to put over the Dictator idea in every way, shape and form.

Yes, Roosevelt is a somewhat diluted reproduction of the great tyrant, Henry VIII of England, who wanted to be both Pope and King. He is not so boisterous or vociferous, of course, as old King Hal, but is meekly following the program laid out by his European cronies that will make him a sort of secondary Pope and Ambassador of Blood Royal to this Country!

Just a few days ago Roosevelt was invited to the feast of the National Convention of Catholic Charities, where he stroked the Roman Beast the right way by speaking the highest praises for the noble efforts of the Catholic Charities and of others, in co-operating with the Government N.R.A.

They will co-operate all right, they are the engineers behind it!

Roosevelt praised all religion to the skies in his speech, lost no time in dripping honey to the Catholic Convention. It seems the President does not tell the public of his own special code between Rome and himself. No doubt in this code the "religion" he refers to is the "only true church of scarlet lady fame," for his reference to other religions doing good is just a consoling pat to the weak, unprotesting Protestants who make up the bulk of American citizenship.

In this speech made just before going to Washington to put teeth in his family of codes, etc., he stressed especially the building of a new structure of government (Dictatorship?) upon the old base, retaining whatever was best in the history of the U. S. So, that's it, is it? And he had this little game all fixed up with Rome, Hitler, and Mussolini and Great Britain, surely! A Napoleon, a Hitler, a Henry the Eighth, come to sit in judgment on the American people and hurl out what he doesn't want in the Constitution and raise a New Structure of Tyranny and Dictatorship upon the trampled remains of Constitutional liberties! And by that time there will be an American Pope to take full charge! This giving of work to a few unemployed with increased salaries and more leisure in spots is just one of the baits used to lead the thoughtless masses into the new-old slavery, to the tune of the N.R.A.

With what alacrity our President obeys every gesture and wink of the English King! When Great Britain gives orders, when she makes innovations, Roosevelt is all a-tremble to follow! There seems to be a telepathic connection between Roosevelt and the British Government, so prompt is the American President to act as England acts!

Roosevelt even has a European-sized Cabinet, a sort of super-cabinet. The extra twelve comprising the N.R.A. Board swells the original cabinet to twice its size, and through this European Cabinet the voice of tyrannical Europe speaks, through its mouthpiece, our President, our treacherous, double-dealing Dictator!

It should shock the American People to their sober senses when learned and intelligent and highly educated Americans resigned from the N.R.A. Committee, saying that they could not in conscience go through with it. It should shock them to know that University professors remind us that the N.R.A. is nothing new, that it is nothing but a rehabilitated feudalism, a frantic opportunism, condemned to complete failure and ignominy. It is a serious matter when publishers worry about the freedom of the American Press as never before.

As a result of our "Recovery" Act we have labor strikes almost everywhere, with the Unions fighting the N.R.A. Labor Board. It seems the N.R.A. does not like to have a court test of the Recovery Act, as it does not want the Constitutionality of the act drawn into question. There is the theory that the act of Congress and the Executive orders are unconstitutional. And then we have that Court case testing the constitutionality of the law against the hoarding of gold, in which both the government and the defendants are very much interested. Evidently Roosevelt has not gotten around to fix the Courts yet! Much sidestepping of the Constitution until

they get strong enough to trample it down to earth.

Every so often we get whiffs of the propaganda for the overthrowing of that somewhat inconvenient Constitution. But no one seems to have a very comprehensive substitute for that same old Constitution. Hoover's O. K. of the Roosevelt N.R.A. program ought to be enough to give it a bad taste in the American mouth! An Ambassador to England last summer returned to America and said that the Monroe Doctrine ought to be thrown overboard, especially with reference to Cuba! Always Great Britain insinuates her serpent head to imperil and make disreputable the U. S. liberties. No wonder the Cuban Revolutionists cried, "DOWN WITH ROOSEVELT!"

MARTHA S.

LISTEN TO THIS INTELLIGENT LADY SPEAK HER MIND

Detroit, Mich.

DEAR MR. RICHEIMER:

Well, the thought is strong for Roosevelt's passing out, many are talking about it. I said the other day he wouldn't live long; everyone says, "If he lives," etc., etc., and you see they don't like him, but fear keeps the people down, and another thing, they are fighting him on all angles, he is *not for the people,* and both parties know it. I read an article in the Saturday Evening Post about forming a Third Party, and wasn't there someone who would come up for a president who would lead the People out of this? They are all looking for something different to take place.

Now, the C.W.A. will only keep the men until April first, then they must hunt for themselves, and the streets all torn up will be left unfinished. I told the people this C.W.A. was the biggest farce ever and now they see it. You see the people fooled and they won't stand for it.

Now they are going to tell Cock Robin what he has to do; and if he don't, they talk of running him out of office; the leaders of different groups are talking this to the people. The Direct Credits are doing a grand work, are now down south, and how the Roman Church fights them; no Roman can belong and the Ku Klux Klan has closed its doors to anyone without a password to get in. Rome has been too funny with them; the whole thing will come to a finish soon and the Survival League fighting Rome. The Bible Students all looking for this year to finish the rule of the bunch that are in; the People going to revolt against the rotten system that has played ruin with the American Republic and we have an election this fall for the State, and out they go, every one of the Roman bunch.

Well, Strath Gordon is here to lecture; he was with Pelley, but left him some time ago; found Pelley not honest in spiritual things; I have a card with the subjects on for the lecture, fifty cents a lecture, not going. This man Pelley is a wolf in sheep's clothing with a silly grin. I met him when he was here; I said then he was ready for the insane hospital; he is controlled by the bad forces from the astral plane who ever use him, make him a mere puppet here on earth, and he talks too silly for anything. He doesn't know what it is all about. I have seen brighter insane people come into the hospital for treatment. I said if he was allowed at large would do great harm and is doing it through a few simple-minded people who can't think. The classes here are on the rocks, one never hears anything about them. I knew they wouldn't last, and the preachers are pulling their own churches to pieces and changing preachers and closing some churches up, the People can't support them, 20,000 ministers looking for work in United States, and they now have a bill up before

Congress to tax the Churches, the preachers are going to step down and out, they are afraid of the People, but old Rome will hang on until she is forced out.

Sunday papers all headlines for the War With Russia and Japan this spring or summer, can't get out of it, so you see what the leaders have done for us, and Kalterborn, a Jewish editor, talks over the radio, said we should ask England about the money and consult her; you see these Jews love to rule with the help of England. His son was fired out of Germany last summer for something he did, came home here and thought United States would call out her troops, but he found out they wouldn't listen to his foolishness.

We are taxed today, like they have always been in Europe, and the Hearst's papers that worked for Roosevelt are tearing him to pieces over taxation. They would help git rid of him in a minute if they dared; they say plenty about how the government is run and People are starving and hard up for everything. I would rather be out of my body than live another few years this way, the worry, the upheavals in one's home, and not able to get work is enough to drive the best person out of their mind. I think everyone would just as soon pass out as live this way, and many are passing with heart failure; it is taking them off fast here in Detroit and around different places.

I hope you can keep on with the work; it would be a pity to have anything happen now. All we can do is hope and pray and work for a better day.

Yours for Divine Life, MEDA CARDINELL.

DEAR MR. RICHEIMER: Detroit, Michigan.

I went down to the Klan last night to hand out DIVINE LIFE pamphlets, had a Dr. Hunt, from Ohio, talk on our schools closing, said they can never be kept

open until the schools are run from the Federal Government, the reason they have never been run from there, the Roman Schools would go out over night, and Rome sees to it that education shall be a thing for the State to look after, and with a drunken Governor of Michigan like we have they will be closed here, for he is a tool of Rome hiding behind a Masonic charm.

How foxy Rome is; she is getting an undertaker here who is a watch charm Mason to run for Mayor of Detroit, can use him for her own gain. Lots will vote for him unless we tell them her tricks, and then hard to make them believe it. My, how people stoop to all kinds of trickery, but in the end only fool themselves, but we will do all we can to stop his being elected.

Well, the C.W.A. is going to cause lots of trouble with men standing around, some not hired and others drawing pay sitting on curbs or leaning on shovels, and the people kicking about streets dug up, and men sent to swamp holes with clothing not fit to wear, lack of rubber boots, and I tell you plenty of trouble in store for Cock Robin if he doesn't do different, for Cock Robin reminds me of a ten-year-old child letting the Catholics get a birthday party up for him, all the high-ups and low-downs of the Church invited. We are living in the same days they did in the Tenth Century with Popes and Kings ruling, to me the smallest people that ever occupied the White House are the ones that are in there now. He grins and she holds her mouth open, no brains, never a thought of their fellowmen, or how much he suffers. I would never want their Karma; to me it would be dreadful to neglect the People and feed one's own self.

I Wish you a Happy New Year. Hope next year things will be different.

Yours for Divine Life, M. C.

DEAR MR. RICHEIMER: Detroit.

The DIVINE LIFE Magazines came this morning, thanks. I want to give them to some people who want to know about Europe. Well, the People are not pleased with the way the Government is run, the men only work three days a week for $15 in wet, cold and rain, have no choice in the matter, freedom taken away, you either work when they tell you or starve the same as they do in Europe. I see by Clark's paper, the Rail Splitter, he is not well pleased with Cock Robin; he thought if he did do anything nice he would praise him, but so far everything wrong end to. The Ku Kluxers have had one grand split, some man here formed the Nationalists party, taking 100,000 members with him; they will fight for American principles and nothing but American ideals must stand, also a vote must be direct from the People and nothing from Europe must be allowed here and everyone not a citizen shipped back.

There has been a split in the Baptist Churches, the preachers fighting among themselves. One man pulled out and held tent meetings and has taken members out of every church. It amuses me how they all pull hair, but this one preacher has chased all the other ministers into their holes and peppered their hides. It seems the churches have done crooked work in politics like they always do, and he aired them; they will be shorn of their power in less than a year. Now the ministers and priests want the rich taxed more than they have been and one man in the letter box last night wants the churches taken away from the preachers and asked these preachers how much money they took from the rich and how they preached to please the rich.

I tell you the judgments are abroad and right shall win, and the churches to blame for the whole thing. I am enclosing a letter, please read. I heard this Rev. Parks Cadman say over the radio that we should worship the Pope. I said, there's a Jesuit in frock coat. I tell you every hidden thing shall be revealed to the public. I am glad they are getting it, the ministers are mean, low and under-handed like the Priests; the Rev. Randall was one before he went into Unity to fleece the public better than he did in the creeds drunk on their own wine.

Yours for Divine Life.

P. S. The radio priest of the Shrine of the Almighty Dollar gave his Mother and Father a house and lot for Christmas, got the money out of the masses who don't know anything but bow to the Beast on the Tiber and his subjects the Priests; in the scripture they were to attend the People and own nothing, but ownership is the main thing today with Priest and Preacher alike.

Detroit.

DEAR MR. RICHEIMER:

The air is hot with all Cock Robin's friends going against him. Al Smtih, Alfred Sloan and all the ones that helped to put him in, the radio priest on the air yesterday asking everyone to stand by our Franklin D. He whipped Smith, Sloan, and said things if he can't prove about the two men, woe unto him, and these two men, both raised Roman Catholic, said Sloan took blood money, and Smith, a banker, it is all over the gold standard. He talked one hour, stirred up things; tonight he talks in New York at one of the largest theatres, watch the newspapers, they are looking for a riot, another preacher talked for Franklin D. last night, they all smell a bad smell against the traitor who wants Rome to have full swing. Well, the

first of the year plenty of men from different groups are going to Washington to tell Franklin D. and Congress what to do, and if they don't, woe unto them. Another thing, I talked to a man last Friday, gave him a pamphlet, also "DIVINE LIFE" and "Behold the Christ Within;" he said to me we must have a Leader who knows what he is doing and does it without the other fellow or Churches telling him; you see People all sick of the brain trust and fed up on Cock Robin. The old age pension bill passed; thirty-five questions to be answered, one question what church do you belong to, the People don't like that, anything Rome frames up, what church? What have churches to do with People starving or getting old, the Romans will come first, plenty of Hell in store for the heads of the Government and the schools are closing, but People demanding their rights, plenty of hell in store for Cock Robin if he don't furnish money for education for the children, he is the worst President we ever had.

Yours for Divine Life,

MEDA CARDINELL.

P. S. I got some money out of the bank, don't know as we will ever get any more; it seems too bad the way the Romans could get $100,000,000 for their churches, and now to starve us out is un-American and simply an outrage.

MR. H. RICHEIMER: Lancaster, Ohio.

Enclosed please find money for the following pamphlets, "The Roosevelt Dynasty," "National Recovery," and "America First." I understand these pamphlets are free, but I am enclosing money to pay postage. Have you any copies left of "Watch Al Smith, the Pope's Pet." If so, I would like to order some by express and I will pay the charges.

It looks to me the way things are going that Roosevelt will have us all kissing the Pope's big toe before long. Trouble is coming and it's just around the corner. Mussolini and Hitler have declared: "PARLIAMENTARY GOVERNMENT IS DOOMED THROUGHOUT THE WORLD." THERE'LL BE A HELL OF A SCRAP IN U. S. SOON!!! CLARENCE E.

HARRY E. RICHEIMER: Grand Rapids, Mich.

Package received and delivered out. Lincoln said, "No nation can long endure half free and half slave"—and now, today, half drunk and half sober, half saint and half hoodlum is supposed to work all right. A dishonest, drunken and ignorant people cannot VOTE government and prosperity into effect—no matter what political candidates may promise to get office for themselves.

Editor, Factology.

MR. HARRY E. RICHEIMER: Middlebranch, Ohio.

I have received your books and read all four—they are great—your mind is wonderful, and your writing (if I may say is masterful), every word and sentence is clear and to the point. The best of all, you do not misrepresent conditions, but bare the actual workings of the "Eclectic Monarchy" prevalent today.

With loving memories and God's Blessing to you in your work, for which reward will sooner or later come to you, perhaps not in your allotted physical life will man realize your work for the betterment of Humanity, but your writings will go down to posterity and glory will be yours in the hereafter. My family send you our

Kindest Felicitations, ELMER M. GJERTSEN.

VOICE OF THE PEOPLE,
CHICAGO DAILY TRIBUNE,
CHICAGO, ILLINOIS.

DEAR EDITOR:

I note the article, "U. S. Officials Bar Magazine as Foe of N. R. A.," in your Sunday, 12th, issue, and I should state we need not go as far as Washington, D. C., to witness this latest form of Roman inquisition and intolerance, as we have it here at home at Chicago at our own door as well. The Editor of "DIVINE LIFE," a monthly Theosophical publication, is also being hounded and harassed by our local post office inspectors and government officials for being out of tune with the Infinite at Washington, D. C. They go from print shop to print shop inquiring of the whereabouts of the Editor of "DIVINE LIFE," remarking they would just like to lay their fingers on him. If this latest move to coerce, threaten and intimidate publishers who do not coincide with administrative policies emanates from our Chief and Head of the Nation opposing free speech and freedom of the press, I aver something must be wrong somewhere. Something radically wrong. Perchance, the paralysis which formerly affected the lower portion of his physical anatomy must have recently extended itself to the upper portion as well, for no one but an unbalanced person would go to such ends to defeat our Constitutional liberties in order to better elevate himself to the position of Dictator and King. All Hail the King, the King Can Do No Wrong!!! I have a perfect right to criticize the President and I shall continue to do so.

Yours for the Constitution,

HARRY E. RICHEIMER,
Editor, "Divine Life."

HEALTHY OPPOSITION

LISTEN to the hypocrisy of the Editor of "TODAY," Mr. Vincent Astor, a bosom friend of our Satanic Chief at Washington, D. C. The editorial runs as follows: "Referring to a recent visit to the White House by a group of newspaper men, Marlen E. Pew, editor of Editor and Publisher, relates how President Roosevelt invited more criticism of his Administration.

"I heard the President say that he was dumbfounded by the almost unanimous support given to his program by the American press," Mr. Pew said. "He graciously acknowledged this as of infinite value to the Administration and the country, but he made a significant statement. He said: 'But there is a fly in the ointment, gentlemen. Where is your criticism? You know the Government can make mistakes and this program is too vast an undertaking for any one man or set of men to be sure of. We are certain to make blunders. I can rely on you newspaper men to check us. If you see us going wrong, for goodness' sake, sing out about it. There is no kindness in flattering a wrong cause. I want your criticism as well as your support. It is the best kind of backing, and the only request I make is that you be prompt about it.' "

And his friend, Mr. Astor, adds: "This is the essence of democracy. President Roosevelt realizes that the strength of democracy lies in the strength of the opposition. Without a strong opposition, the party in power is not to be trusted with its own policies. Without a strong opposition, the best virtues of democracy are lost."

But the joke of the whole thing is that the opposition must come from their own opposition, THE SUBSIDIZED AMERICAN PRESS, and not from the columns

of the DIVINE LIFE, which they have repeatedly hounded and harassed and threatened to destroy and endeavored to get the Editor, who exposes lese majesty.

HIS LOVE FOR CHILDREN

ROOSEVELT gushed last night over the radio on how he loves the crippled children. Maybe he does. But how about the fact that Roosevelt's whole economic program is crippling, dooming to disease and death hundreds of thousands of children of the working class?

How about the fact, grimly reported in an official study of the U. S. Children's Bureau, entitled, "Some Effects of the Depression on Children's Nutrition," that in the coal mining areas of Illinois and Pennsylvania the proportion of starving children reaches the ghastly figure of ninety per cent?

Roosevelt recently tricked the fathers of these children back to work and broke their strike for a living wage. How many miners' children did Roosevelt maim and cripple, if not worse, by this recent act of ruling class treachery?

How about the statement of Dr. Shirley W. Wynne, recent Commissioner of Health in New York City, issued only four weeks ago, reporting that the proportion of "undernourished" children rose from 50.9 per cent to 53 per cent? How about the statement of Dr. Wynne that:

. . . "It is likely that the increase represents the effects of the economic depression, for with curtailed budgets there is likely to have been an increase in mothers gainfully employed, and a diminished budget for milk, orange juice and other essentials necessary for child health?"

"How many working class children did these conditions cripple and maim for life? Roosevelt's milk program of the A. A. A. has raised the price of milk from 15 to 35 cents in the last six months! Roosevelt has given the big Wall Street milk monopolies huge profits by raising the city prices of milk. How many children is that crippling and maiming for life?

How about the thousands of children of the C. W. A. workers whom Roosevelt is flinging into the streets to starve? What will the pauperism of their parents do to them?

How about the hundreds of thousands of children of the 17,000,000 jobless, whom Roosevelt leaves to starve, brutally refusing all demands for Federal Unemployment Insurance?

These children don't exist for Roosevelt. They don't make such good publicity, and besides, their care would cut into the profits of the Wall Street bondholders. In China, for example, how many children from five to ten years of age are now working for American Wall Street capital in the Shanghai textile mills?

Roosevelt gushes over the children. Maybe he is helping the children at Warm Springs. But he does it not out of love for them, but out of his bottomless hypocrisy, which does not even blush at using the poor, mangled limbs of crippled children as a screen for his murderous war preparations and his assault on the wages and living standards of the toiling masses.
